The Joint Services

S*TC*

Systems & Software Technology Conference

1 - 4 May 2006 • Salt Lake City, UT

Transforming: Business, Security, Warfighting

Call for Exhibitors

A Few of the Many Reasons to Exhibit at SSTC

- Access to over 2,500 leaders and decision makers in the DoD, Government, Industry, and Academia
- 95% of attendees visit the trade show
- 72% of attendees plan to pursue business with vendors they meet at SSTC
- 88% of vendors say SSTC helps them generate quality leads
- 71% of attendees say they come to SSTC to investigate new strategies and technologies

Similar to the theme for this year – SSTC is transforming!
Have a SPIN, Workshop, or "Birds of a Feather" meeting you'd like to simplify yet magnify?

Ask us how your organization's agenda can be part of SSTC by emailing stc-info@ext.usu.edu or calling 435-797-0047

Register to be an Exhibitor today!
